ANNUAL TEACHER of the YEAR RECOGNITION

As we have done for the past 9 years, on Thursday May 9th, we will honor the **Teachers of the Year** from the seven Shiloh cluster schools. The Principal of each school accompanies the Teacher of the Year, introducing him or her and tells about their particular special contributions to the class. The CBA presents a personalized plaque and a small gift to each teacher to acknowledge our appreciation of their extraordinary dedication to the children of our community. If you would like to share in the gift giving, please contact Enid Grigg (enid@heritagebiographies.com) for more information. It will be nice for you to mark your calendars and join us for the special meeting May 9th. Watch you emails for specifics.

CONGRATULATIONS TO HOPE & LIFE FELLOWSHIP

for raising over \$18,000 with the other program members of "BUY A TREE, CHANGE A LIFE", their annual Christmas Tree fundraiser. \$621,000 was made at 44 sites in 15 states where 11,000 trees were sold. Part of the money raised at each site stays in the community where located; some goes to statewide charities and some goes to the group's overseas charity.

Hope and Life Fellowship has a food bank which is open daily to accept donations and provide needed food for the folks who need it.

Our board Member, **Dr. Marilyn Peterson** is proposing to start an outreach ministry modeled after a ministry that she and others started in Cape Canaveral, Fl. The focus will be on homeless children and families here in the Centerville area by offering at no cost, donated clothing, household goods, and bibles. It will also serve as a resource for other services and organizations who work with at-risk population like the ones we learned about at our last meeting. We heard frightening statistics about the number of homeless right here in our area. We heard about the kids, the parents and the challenges these folks face every day. If this is something you could be interested in participating in, we would love to have your input. Contact "Doc" at www.parkwoodfarms.com

The Dekalb Medical office that was behind Walgreens has been acquired by **Emory** and is now Emory Medical. But they are NOT an Urgent Care facility like the Eastside Urgent Care further down on 124.

We welcome new member **Eastlight Dental**, 2536 Rockbridge, Suite 103, specializing in General Dentistry including emergency care!

We are pleased to welcome Myra Singleton as a new member. She is a licensed Insurance Agent who offers private health plans to Small Groups, Individuals and Families that are more affordable than Obama/ACA/Marketplace plans. She deals in Life, Dental, Vision, Disability, Critical Illness, Income Protection and other Insurance Products. Contact Myra at 678-462-1587 for a FREE QUOTE for your needs.

Welcome **Taco Bell** and **Family Dollar**. We're glad you came to Centerville. It's nice to see that the old Rite Aid didn't stay empty too long.

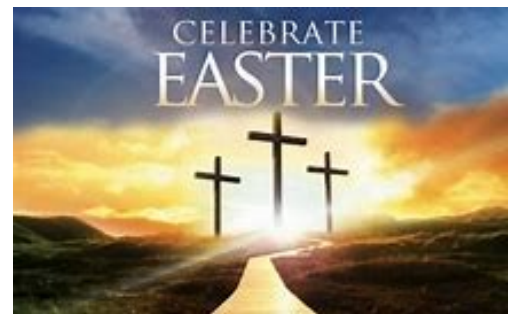

Welcome **Pastor Joe Lewis and wife Carmen to Annistown Road Baptist Church**. It's been a long time coming and we hope you'll join our group. We wish you the best.

The new building for **Dr. T's First Class Pediatric Dentistry** will be opening this spring on Anniston Road, across from Shane's Rib Shack. We welcome your group.

Please visit our web-site at www.cba-ga.com to see pictures, businesses and event announcements.

We hope everyone enjoyed their Spring break and making great plans for Easter. We wish you all the best. Everyone is cordially invited to join together at our area churches.
